Itinerary

Day 1, Friday, 26 March. Departure at 8 am from Marrakech. The drive takes us over the High Atlas and down to M'Hamid. First night at the desert camp.

Day 2, Saturday, 27 March. The camels are loaded and our caravan journey begins.

5 days on the move with our caravan.

We spend four nights in the open desert, with the nomads. During the day we walk between 3 and 4 hours. If you are tired, you can also ride a camel.

Lessons in the desert with Madou.

How do you bake bread? How do you prepare a tajine? How do you find your way by day and by night? The plants, the tracks in the sand and the stories of nomadic life.

Morning body exercises and rituals with Nora.

Day 6, Wednesday, 31 March. Last morning in the open desert. Back to the desert camp. Hammam at the camp, time to relax and a farewell party on our last night at the camp.

Day 7, Thursday, 1 April. Drive back to Marrakech. Arrival in Marrakech in the evening.

"No plan is the best plan", say the nomads. The desert and the weather decide the way. That is why the schedule may change along the way.

Arrival and meeting point

You fly to Marrakech and arrive by Thursday, 25 March, at the latest. You book your night from Thursday to Friday yourself.

On Friday, 26 March, we pick you up at 8 am. Meeting point: we will tell you the exact place when you book. It is near Jemaa el-Fna, the famous big square in the heart of the medina.

On Thursday, 1 April, we are back in Marrakech in the evening. You book this night yourself too. It is best to plan your return flight for Friday, 2 April. Or you decide to travel on to the sea afterwards, for example to Essaouira.

Marrakech is full of beautiful riads. Pick one that you really like. If needed, you can book a taxi to the meeting point. The riads are happy to help.

Packing list

In March the days in the desert are warm and the nights are cold. It is best to dress in layers.

- [ ] Soft travel bag or backpack, no hard-shell suitcase (the luggage travels on the camels)
- [ ] Small daypack for your phone, water bottle and small things
- [ ] Comfortable, broken-in walking shoes and sandals
- [ ] Light, long clothing against the sun
- [ ] Warm clothes for the night: sweater, fleece jacket, hat, warm socks
- [ ] A cloth for the turban (5 to 7 metres long) against sun and sand (we can also buy it together on the way)
- [ ] Sunglasses, sun hat, sunscreen, lip balm
- [ ] Headlamp with spare batteries
- [ ] Water bottle
- [ ] Wet wipes and tissues
- [ ] Your personal medication
- [ ] Power bank
- [ ] Passport (valid for at least 6 more months)
- [ ] Some cash in dirhams
- [ ] A warm sleeping bag. The nomads do have blankets with them, but in my experience they are not enough for the cold nights. If you have no sleeping bag at all, you can borrow a blanket there.
